A vintage-style poster for a slot racing event. The background is a textured, light-colored surface. On the left, there are two vertical red bars and a checkered flag pattern. The main text is in a bold, sans-serif font. A circular stamp in the top left corner reads 'LE SEPTIEME ÉDITION', '25 MAI 2019', and 'LE VINTAGE 360 A 10 ANS'. The main title 'VINTAGE 360 MMC' is in large, bold letters. Below it, the event details are listed: 'SLOT RACING 1/24', 'ENDURANCE 6H', and 'PISTE BOIS'. The central image is a close-up of a red slot car with a white number '7' on its side. The website 'WWW.MMC78.COM' is printed on the car's body. At the bottom, the theme 'THÈME : 24H DU MANS 1960 À 1970' and the start time 'DEPART : 11H' are indicated. The overall aesthetic is that of a classic racing poster.
